

**MAGDALENE COLLEGE
CAMBRIDGE
Research Fellowship Competition 2011
Notes for Candidates**

1. If you are asked to come for interview, please note:
 - (i) you will be asked to make a 7-minute presentation, which will be followed by a 15-minute discussion;
 - (ii) you should aim to make your exposition intelligible to the members of the Board who will have no knowledge of your subject;
 - (iii) you will be expected to explain what you believe to be your particular new contribution to your research field;
 - (iv) you will be asked at the end of the interview whether, if you were to be offered a Research Fellowship, you would accept that offer.

2. If you accept that offer, you will be required to supply the Bursar with a statement of any external funding and of your earned income from all sources and to notify the College of any change in funding during the tenure of your Fellowship. The full amount of any external funding will be deducted from your College stipend. Please also note that it is a legal requirement for the College to receive from prospective Research Fellows either proof of British citizenship (or EU nationality) or a Home Office letter confirming entitlement to work in the UK. Magdalene College is an Equal Opportunities Employer.
