About Us

Magdalene College is one of the 31 Colleges of the University of Cambridge. It was originally founded in 1428 and re-founded in 1542. Although we are proud of our history, we are a thoroughly modern and forward-looking College.

There are roughly 600 undergraduate and postgraduate students in residence. 100 Fellows and the Master who together make up our College community. We have developed a strong programme in the Sciences alongside traditional strengths in Arts subjects and the first priority for students is academic work. There is a thriving extracurricular life in the College and we take pride in the high level of pastoral care offered to our students. Further information is available on the College website at www.magd.cam.ac.uk.

Magdalene College Values

Magdalene's greatest asset is its people: a resident community of nearly 800 students, Fellows, and staff.

The College's core values are **'freedom of thought and expression'** and **'freedom from discrimination'** and it encourages its Fellows, staff, students and visitors to engage in robust, challenging, evidence-based and civil debates as a core part of academic enquiry and wider College activity, even if they find the viewpoints expressed to be disagreeable, unwelcome or distasteful.

Magdalene College expects that you will:

- Behave professionally and expect professional behaviour from others in the community (including all staff, partners, students, fellows and visitors).

Magdalene is registered with Cycle Scheme, a tax-efficient scheme for buying a new bicycle.

During the summer staff may use the College punts for up to two hours. These should be booked through the Porters Lodge.

The College has a social committee who run events for staff, including the annual day trip which is open for all staff to attend.
