

The New Library - induction timetable

Welcome to Magdalene! The library team (Lauran, Aishah and Eva) will be running undergraduate inductions in subject groups, please come into the library entrance a couple of minutes before your timeslot below. The tour will take 20-30 mins and will cover the basics of using library services.

Your induction should take priority over non-academic events and we've tried to avoid clashes but if you cannot attend there will be catch up sessions on Wednesday 8th, or you are welcome to email us to arrange an alternative which suits you: library@magd.cam.ac.uk

Postgraduate inductions are optional, if you would like one please book a slot here: <https://www.magd.cam.ac.uk/college-life/college-library/library-overview>
