

The New Library - induction timetable

Welcome to Magdalene! The library team (Aishah, Laura and Daniel) will be running undergraduate inductions in subject groups, please come into the library entrance a couple of minutes before your timeslot below. The tour will take approximately 30 mins and will cover the basics of using library services.

Your induction should take priority over non-academic events, and we've tried to avoid clashes but if you cannot attend there will be catch up sessions on Wednesday 7th, or you are welcome to email us to arrange an alternative which suits you: library@magd.cam.ac.uk

Postgraduate inductions are optional, if you would like one please book a slot here: <https://www.magd.cam.ac.uk/college-life/college-library/library-overview>
