About Us

Magdalene College is one of the ancient Colleges of the University of Cambridge. It was originally founded in 1428 and re-founded in 1542. Although we are rightly proud of our history, we are a thoroughly modern and forward-looking College. We have developed a strong programme in the Sciences alongside traditional strengths in Arts subjects and the first priority for students is academic work. However, there is also a thriving extracurricular life in the College and we take pride in the high level of pastoral care offered to junior members. There are around 600 undergraduate and postgraduate students, and just over 100 Fellows and the Master who together make up our warm and thriving College community.
