The College

Magdalene College, (pronounced “Maudlin”) is one of the Colleges of the University of Cambridge. It was originally founded in 1428 and re-founded in 1542. Although we are rightly proud of our history, we are a thoroughly modern and forward-looking College. We have developed a strong programme in the Sciences alongside traditional strengths in Arts subjects and the first priority for students is academic work. However there is also a thriving extracurricular life in the College and the Tutors pride themselves on the high level of pastoral care offered to junior members. There are about 500 junior members of whom approx 320 are undergraduates and 180 are postgraduates. There are 40 Fellows, headed by the Master, who make up the Governing Body of the College, a number of Research Fellows as well as Emeritus and Honorary Fellows.

On the non-academic side, there are approximately 116 employees in all, split between the various departments of the College, including Porters, Housekeeping, Maintenance, Gardens, Conference, Catering and Buttery, IT, Libraries, Development, College Office, and the Academic Office.

Further details of the College are available on: the College’s Website:
