Magdalene College
CAMBRIDGE

Alumni & Development Assistant
Job Description

The College

Magdalene College is one of the Colleges of the University of Cambridge. It was originally founded in 1428 and re-founded in 1542. Although we are rightly proud of our history, we are a thoroughly modern and forward-looking College. We have developed a strong programme in the Sciences alongside traditional strengths in Arts subjects and the first priority for students is academic work. However there is also a thriving extracurricular life in the College and the Tutors pride themselves on the high level of pastoral care offered to junior members. There are just over 530 junior members of whom approximately two thirds are undergraduates and one third postgraduates. There are 40 Official Fellows, headed by the Master, who make up the Governing Body of the College, a number of Research Fellows as well as Emeritus and Honorary Fellows.

The Alumni & Development Office consists of a team of eight, and is a vibrant, forward-thinking office responsible for all aspects of fundraising and alumni relations including the organisation of alumni events both at home and abroad. The office is often the first point of contact for our Members, Friends and Honorary Fellows and runs a comprehensive communications programme involving both printed and electronic media. We launched a very ambitious fundraising endeavour, “Future Foundations – The Campaign for Magdalene” last year.
